The AGM is growing, and shaping the future of art and culture in Mississauga. A flourishing artist community needs resources to grow and stay vital. We emphasize collaboration and engaging the community in civic dialogue where art and culture are a central force. Join our movement. Make a difference in our city.

## ENGAGE THINK INSPIRE

This phrase opens the dialogue at the AGM. The Gallery connects with the people of Mississauga through the collection and presentation of relevant works from a range of periods and movements in Canadian art. Expressing multiple ideas and concepts, this visual art translates into meaningful cultural and social experiences for all audiences. The AGM employs innovative education, artist projects and other forms of dialogue to advance critical enquiry and community connection to the visual arts.
