## ABOUT THE ART GALLERY OF MISSISSAUGA

The Art Gallery of Mississauga (AGM) is a public, not-for-profit, art gallery located on the ground floor of the Mississauga Civic Centre, right on Celebration Square and across from Square One Shopping Centre. The AGM is proud to admit people free of charge, serve communities, and provide positive visual art experiences for all visitors. The Gallery is a barrier-free space with an all-gender washroom.

### FIRST. NEW. NEXT

The AGM provides platforms for exhibitions, collections and experimentation in contemporary culture with a recent focus on artists and cultural producers from Indigenous, newcomer and youth communities. Through a broad range of educational programs, artist projects and other forms of critical dialogue, the AGM seeks to transcend traditional disciplinary boundaries, foster community, and provide spaces where alternative modes of thought are supported and activated in tangible ways.

The AGM is generously supported by the City of Mississauga, the Ontario Arts Council, the Canada Council for the Arts, private donors and its members.

Directions to the AGM, as well as transit routes and other information, can be found [on our website](#).
