**NOW
SHOWING**

All **I'S** on **Me**

Celebrity. Ego. InstaFame.

Through the eyes of Digital Conceptual Artist **Pepe Bratanov** and Luxury Artist **Max Jamali**, we see the shining lights, we want those shining lights, we want to be known, we want the "likes".

All I's On Me follows the naïve journey from hopeful star struck ingenue to the circus that is the fame game. As we grapple with growing attention- our likes increase from 100 to 1000, to 10,000, to 100,000 to 1,000,000 followers. What is the price we pay? - Security, Ego, Integrity, Privacy and sometimes the life as we know it.
