Upcoming Exhibition: View Find(H)er

View Find(H)er: Finding Women Working in Photography 2022 is the first step in a project that aims to find and showcase the work of women artists that have a connection to Mississauga. The title of the exhibition references the eyepiece on the camera, known as the viewfinder, that a photographer holds close to their eye when taking a picture. Like the viewfinder, View Find (H)er is about looking and finding; it discovers a remarkable range of works and highlights a promising array of women artists.

Exhibiting Artists: Cat Marchese (pictured above), Peggy Taylor Reid, Kim Lee Kho, Janice Reid, Soka Lazare, Sage Szkabarnicki-Stuart
